Tom: D

D Em G D
 I, I & I lay between my brother and sister the sea
 D Em G D
 I, I & I hold nothing as real as what you believe

D Em
 So don't you ever cry for what's hard in this life, you know
 the world over it's people struggling

D Em
 And when you stand alone your fight is our fight for nothing
 is given but what we achieve

D Em
 And so far away, so, so far away there is somewhere, where
 sacred oro ain't a sign of being free

D Em
 So far away, so, so far away there is somewhere, where my
 baby's boy is going to live in peace

G Em D D
 No, It's the longing pressure, the great longing pressure when

you say, Baby come home

G Em D
 No, it's the longing pressure, the great longing pressure when
 you say, you are my lover,

G D D Em
 No you're not my friend, we start when this ends, now this
 ends, Now this ends, now this ends

D Em G D Em
 Oh, Oh, we start today, Oh, and I've got faith in us, so hold
 my faith as trust, and let's start today

D Em G
 Oh, and I've got faith in us, so hold my faith as trust, and
 let's start today

D Em G
 Oh, and I've got faith in us, so hold my faith as trust, and
 let's start today

D Em G
 Oh, and I've got faith in us, so hold my faith as trust, and
 let's start today
