

# Luhli e Lucina - E Foi

tom:

Am

Am

Pra te sentir fui pedra morta

Pra te entender fui cachoeira

Pra te saber correr ligeira

Suspensa na teia

Dourado fio tece o dia

Am G

Fervendo o verde faz o agora

Ruído rouco marca a hora  
Da louca alegria

Clareia a dor que já não é

Doeu e foi

Tempo voltando qual maré

Engana a morte
