

# LUIMLIMBO - Denial

G tom:

I woke up with a text  
 It had your name and It said  
 Hey I know it's late  
 But I have something to say  
 I didn't answer you in time  
 Hoping you'd change your mind

Baby, what would you do  
 Tell me, if it were you  
 The text said  
 You know I love you  
 And you know I need you  
 This can't be happening to me  
 This can't be happening to us

You said I was your first love  
 You said I was the only one

This can't be true  
 Baby please don't go  
 I wish you were lying  
 But it is the truth though

Db  
 As I got up and out of bed  
 Gb  
 I light up a cigarette  
 And the first thing crossing  
 Bbm  
 My mind it's you  
 Ab Gb  
 In my heart Bbm  
 You'll always be here  
 Ab Gb  
 But we know the truth  
 Db  
 This can't be happening to me  
 Gb  
 This can't be happening to us  
 You said I was your first love  
 Db  
 You said I was the only one  
 This can't be true  
 Gb  
 Baby please don't go  
 Bbm  
 I wish you were lying  
 Ab  
 But it is the truth though  
 ( Ebm Gb Db Ab )  
 Ebm Gb Db  
 And I know I'm naive  
 Ab  
 To think you still be Here  
 Ebm Gb  
 But help me forget  
 Db  
 All the things  
 Ab  
 That shedded my tears
