 I'm sprinkling fire in the sky
 If you can find a carriage, it's us
 I do not care if you believe
 I'm on a winning mission
 If you forget the things
 You already know, It will not hurt

You may believe you are a child
 (Db D E F)
 The noise will be easy to identify
 Open your eyes you are a live About to start
 (Db D E F)
 Who is responsible here?
 The one in charge here is you
 The one in charge here is you
