

Luis Curinga - Trouble

Tom: E

I Have to learn to like myself

A Gotta reach sky line

I don't know if it's time

But I Just know that I'm in trouble

I don't know maybe will laugh

But during my panic

That sometimes free me

I'll find a way to cry

A Look away from here and you'll see your back

E I see the answer Turing to bombs

When the responsible is the idol

I don't know if it's your fault

But now he is a cold guy

E I don't know if the stopped time is a signal

I don't know if the inverse is natural

B E Now, is forget that you are always thinking on it
