

Luis Miguel - Sueña

tom:

Intro: D G D G

[Primera Parte]

Sueña con un mañana
 Un mundo nuevo debe llegar
 Ten fé es muy posible si tú estas
 Decidido

Sueña que no existen fronteras
 Y amor sin barreras no mires atrás
 Vive con la emoción de volver
 A sentir, a vivir la paz

[Segunda Parte]

Siembra en tu camino
 Un nuevo destino y el sol brillará
 Donde las almas se unan en luz
 La bondad y el amor renacerán
