

Luís Pavan - Somente Sentimento Bom

tom:

Intro: D A Bm G
D A D A7

Pai me dê forças

Pra pular bem cedo do colchão

Que eu tenha fé

E gratidão para cantar a vida inteira

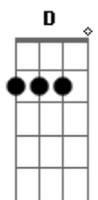

A alegria de ser parte nesta criação

Me mostra como cultivar a paz

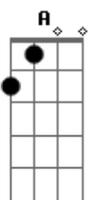

Onde eu estiver

Que eu tenha fé

E esta luz

Que ilumina o mundo inteiro

Brilha bem forte sempre

Que vejo você sorrir

Somente sentimento bom

Tenha morada no meu coração

Somente sentimento bom

Faça morada no teu coração

Que a nossa vida seja plena de harmonia

Para regar de amor

As flores do Jardim
