

# Luís Roquette - Rainha de Portugal

tom: A

No jardim da contemplação  
 No silêncio de Deus  
 Nasceu uma mulher, um coração  
 Destinada a ser a Mãe dos que são Teus

Nova Eva, Maria  
 Permanece imaculada  
 Escolhida por Deus, um dia  
 Pra nos levar à Eterna Morada

Uma coroa de doze estrelas  
 Uma mulher vestida de Sol  
 No céu um grande sinal

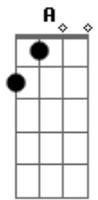

É a Rainha de Portugal

São vários os pontos do mundo  
 Em que pede oração  
 Um dia, um Rei Português  
 Entregou - Lhe a Sua nação

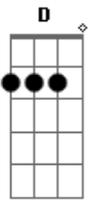

Fátima nos concedeu  
 Sua graça e proteção  
 De Portugal nunca esqueceu  
 E é tão grande a nossa devoção

Uma coroa de doze estrelas  
 Uma mulher vestida de Sol  
 No céu um grande sinal  
 É a Rainha de Portugal
