

# Luiz Gonzaga - A Rede Veia

Tom: G

(intro) G D7 Em C Bm Em D A D

<sup>D</sup> Eu tava com a Filomena, ela quiz se refrescar <sup>G</sup>

0 calor tava malvado, <sup>A</sup>ninguem podia aguentar <sup>D</sup>

Ela disse: meu ludrugo nos vamos se balanca <sup>G</sup>

<sup>D</sup> A rede velha comeu foi fogo so com nos dois pra la e pra ca <sup>A</sup>

Ludugero e Otrofe, eh saudade

<sup>D</sup> <sup>G</sup>

Comecou a fazer vento com nos dois a palestrar

Filomena ficou beba de tanto se balancar <sup>A</sup> <sup>D</sup>

Eu vi o punho da rede <sup>G</sup>comecar a se quebrar

<sup>G</sup> A rede velha comeu foi fogo so com nos dois pra la e pra ca <sup>D</sup>  
xente <sup>A</sup>

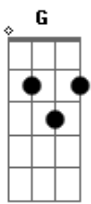

<sup>D</sup> A rede tava rasgada eu tive a impressao <sup>G</sup>

Que com tanta balancada a gente terminava no chao <sup>A</sup> <sup>D</sup>

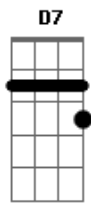

Mas filomena me disse meu veio venha mais pra ca <sup>G</sup>

Ludugero e Otrofe deixaram um buraco tao grande no Brasil que  
ate hoje nao apareceu quem fechasse
