

Luiz Gonzaga - Cigarro de Paia

Tom: F

Intro: F

Meu cigarro de paia

Meu cavalo ligêro

Minha rede de maia (2x)

Meu cachorro trigueiro

Quando a manhã vai clareando

Deixo a rede a balançar

No meu cavalo vou montando

Deixo o cão a vigiar

Cendo o cigarro vez em quando

Pra esquecer de me alembrar

Que só me falta uma bonita morena

Pra mais nada me faltar

Que só me falta uma bonita morena

Pra mais nada me faltar
