

Luiz Gonzaga - Estrela de Ouro

Tom: G

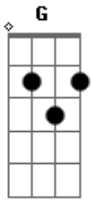

Afinação: D G C F A D

Reinado, Coroa, tudo isso o baião me deu
 Estrela de ouro no meu chapéu
 Roupas de couro e gibão

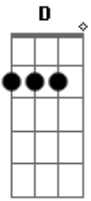

Como um milagre caído do céu, fizeram-me rei do baião

Ainda me lembro do tempo
 Em que a gente valsava no meio do salão
 Mas hoje está tudo mudado, devido ao reinado do meu baião
 Percorri o mundo inteiro para ver se encontrava um estilo melhor
 Mas até no estrangeiro esse bom brasileiro é também o maior
