

Luiz Gonzaga - Frutos da Terra

tom: D

Esta terra dá de tudo
 Que se possa imaginar
 Sapoti, jaboticaba
 Mangaba, maracujá
 Cajá, manga, murici
 Cana caiana, juá
 Graviola, umbu, pitomba
 Araticum, araçá

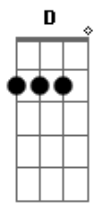

Engenho velho ô, canavial
 Favo de mel no meu quintal

O fruto bom dá no tempo
 No pé pra gente tirar

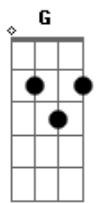

Quem colhe fora do tempo
 Não sabe o que o tempo dá
 Beber a água na fonte
 Ver o dia clarear
 Jogar o corpo na areia
 Ouvir as ondas do mar

Engenho velho ô, canavial
 Favo de mel no meu quintal
 Engenho velho ô, canavial
 Favo de mel no meu quintal
