

# Luiz Gonzaga - Frutos da Terra

tom: D

Esta terra dá de tudo  
 Que se possa imaginar  
 Sapoti, jaboticaba  
 Mangaba, maracujá  
 Cajá, manga, murici  
 Cana caiana, juá  
 Graviola, umbu, pitomba  
 Araticum, araçá

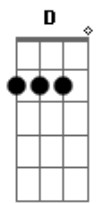

Engenho velho ô, canavial  
 Favo de mel no meu quintal

O fruto bom dá no tempo  
 No pé pra gente tirar

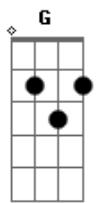

Quem colhe fora do tempo  
 Não sabe o que o tempo dá  
 Beber a água na fonte  
 Ver o dia clarear  
 Jogar o corpo na areia  
 Ouvir as ondas do mar

Engenho velho ô, canavial  
 Favo de mel no meu quintal  
 Engenho velho ô, canavial  
 Favo de mel no meu quintal
