

# Luiz Gonzaga - Macapá

Tom: C

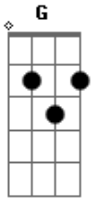

Eu não tinha nem dez anos  
 Minha mãe veio me falar  
 Me pôs calça de homem e me disse  
 Vai, meu fio, vai trabalhá  
 Desde então que eu toco e canto  
 O meu fole a me ajudar  
 Com o baião, siridó, balanceio

Fiz o meu Brasil dançar  
 Só faltava mostrar essa dança  
 Que eu vou apresentar  
 Eita! Seu mano  
 Ai que bom, ai que bom  
 Que bom de dançar  
 Eita! Seu mano  
 Ai que bom, ai que bom  
 Que é o Macapá!
