

Luiz Gonzaga - Macapá

Tom: C

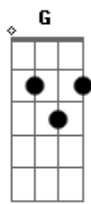

Eu não tinha nem dez anos
 Minha mãe veio me falar
 Me pôs calça de homem e me disse
 Vai, meu fio, vai trabalhá
 Desde então que eu toco e canto
 O meu fole a me ajudar
 Com o baião, siridó, balanceio

Fiz o meu Brasil dançar
 Só faltava mostrar essa dança
 Que eu vou apresentar
 Eita! Seu mano
 Ai que bom, ai que bom
 Que bom de dançar
 Eita! Seu mano
 Ai que bom, ai que bom
 Que é o Macapá!
