

# Luiz Gonzaga - No pé de Serra

Tom: G

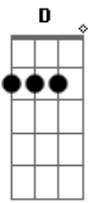

Lá no meu pé de serra  
 Deixei ficar meu coração  
 Ai, que saudades tenho  
 Eu vou voltar pro meu sertão  
 No meu roçado trabalhava todo dia  
 Mas no meu rancho tinha tudo o que queria  
 Lá se dançava quase toda quinta-feira

Sanfona não faltava e xóte a noite inteira  
 O xóte é bom  
 De se dançar  
 A gente gruda na cabôcla sem soltar  
 Um passo lá  
 Um outro cá  
 Enquanto o fole tá tocando,  
 tá gemendo, tá chorando,  
 tá fungando, reclamando sem parar
