

Luiz Gonzaga - O Andarilho

tom:
Bm

Bm A

Caí do céu por descuido

Se tenho pai, num sei não

Venho de longe, seu moço

Lugar chamado sertão

Bm A

Vivo sozinho no mundo

Zombei da sede, zombei

Cortei com minha peixeira

Todo mal que encontrei

Bm

Fui caminhando, enfrentando

G D

As terras que o sol secou

Até chegar a cidade

Dos homens que Deus olhou

Que o Santo Padre perdoe

A triste comparação

Melhor viver no cangaço

Que a tal civilização

A Bm

Brinquei com o mal, brinquei

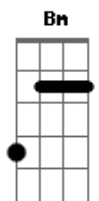

Sorri quando matei

A Bm

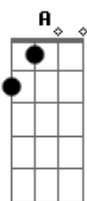

Eu vim pra ser melhor

Cheguei aqui, chorei } bis
