

Luiz Gonzaga - Pobre Sanfoneiro

Tom: G

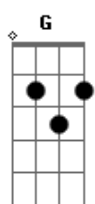

Intro: G D D7 G G7 C G D7 G

Pobre sanfoneiro Não sei o que é que tem
 Alegria todo mundo Num dá sorte com ninguém
 Ora veja bem Chega no forró
 Dá de mão no fole E tome gole no gogó
 Aí começa a festa Tudo bonitinho
 Tem nego forrozando Chega fica miudinho
 É quando bêbo chato Torna a chatear

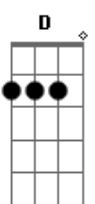

Com o fandango cheio de cana Pede um rock pra dançar

Aí lascou! Quem é brabo morre
 Quem é frouxo, corre E acabou o furunfá
 E olhe a foice e a faca Quebra de cadeira
 E olhe a foice e a faca Nego na carreira
 E olhe a foice e a faca Na hora de receber
 Pobre sanfoneiro Dinheiro que é bom não vê
