

# Luiz Gonzaga - Ranchinho de Palha

Tom: E

m

Ranchinho de palha

Que abriga você e eu

Nas palhas do coqueiro e só a lua nos deu

Ranchinho de palha

Onde tudo é amor

E a beleza da praia

E o canto do pescador

Ranchinho de palha

Onde o chão é de areia

Onde nós dois se agasalha

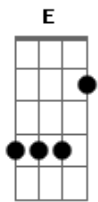

Nesta casinha tão feia

Mas pouca gente é feliz como nós

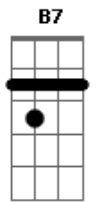

Um canta pro outro

E do vento escutamos a voz
