

Luiz Marengo - Pra Quem Avista Ivituatã

Tom: A

Gbm7 B7 E Db7 Gbm B7 E

"Pra quem avista Ivituatã, numa manhã clara de sol
A alma pampa aflora o campo, e tem pra si um momento santo
Quem sabe ver-te, Ivituatã"

E
Se me estanciei, para viver contigo

E fiz abrigo em teu ranchario

É porque o vento, que te deu batismo

Por certo um dia, trazer-me o frio

/Nas tuas tardes, vou matear silente

Pelas sombras largas do teu arvoredro

E quando a lua, repontar saudades

Vou contar-te a linda, desses meus segredos/ Bis

(Pra quem avista Ivituatã, numa manhã clara de sol
A alma pampa aflora o campo, e tem pra si um momento santo

Quem sabe ver-te, Ivituatã)

Querência que vejo pra madrugadas

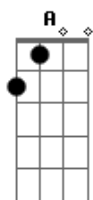

Deixar trançado o tento do meu rastro

O pôr do sol, destapar coxilhas

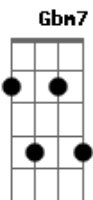

Quero ser forquilha, embodocar meus pastos

Quem sabe ver-te, Ivituatã)
