

Luiz Melodia - Zerima

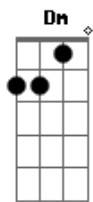

Tom: D

Intro: D Dm Dbm Gb7 Bm E7 A A7
 D Dm Dbm Gb7 Bm E7

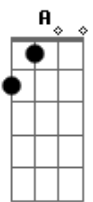

Foi bom perfume cheiro de zerima
 Bombom, lembranças, saudades me ensinou
 Chorei, lembrei de você bem menina
 Na porta de casa, lá em cima
 Na porta da escola, no mar
 Cantei, e os meninos rezando na janela
 Uma linda, uma festa na favela

Que o mundo chegou lacrimejar
 No céu você hoje estrela divina
 Que apaga, acende, ilumina
 Essa terra onde a gente vive
 No céu, você hoje estrela zerima
 Que acorda, apaga, ilumina
 Essa terra onde a gente morre
 Essa terra onde a gente vive
 Essa terra onde a gente morre
