

Luke Bryan - Blood Brothers

Tom: G

We were ^{Am} as young as we were dumb
 When we piled in a ol' pile of junk
 It was one ^G for all, and all for one
 A bunch of outlaws without a gun
 Shootin' ^{Am} bad booze outta dixie cups
 Chasin' ^C every girl that wasn't fast enough
 No matter how bad the break or how bad the luck
 Or how bad the day you still had us

^{Am} Blood brothers closer than your next to kin ^C
 Thick as these and the best of friends ^G
 Take a bullet for each other ^D
 Yea brothers like that don't come cheap ^{Am} ^C
 You fight you cry you lie you bleed ^G
 And you lean on one another ^D
 Blood brothers ^{Am} ^C ^G ^D

I got a ^{Am} scar on my cheek from a bar room brawl
 Wasn't meant for me but I took the fall ^C
 It's a cowboy code it's an unwrote law ^G
 When you mess with one you gotta take us all ^D

^{Am} ^C

Blood brothers closer than your next to kin ^G
 Thick as these and the best of friends ^D
 Take a bullet for each other ^{Am} ^C
 Yea brothers like that don't come cheap ^G
 You fight you cry you lie you bleed ^D
 And you lean on one another ^{Am} ^C ^G ^D
 Blood brothers

^C Time can fly on by ^G
 Everything can change ^D
 Until the day we die ^C ^G
 We'll always remain ^D
 We'll remain ^B
 Yea yea yea ^{Am} ^C ^G ^D
 Blood Brothers ^{Am} ^C ^G ^D

^{Am} Blood brothers closer than your next to kin ^C
 Thick as these and the best of friends ^G
 Take a bullet for each other ^D
 Yea brothers like that don't come cheap ^{Am} ^C
 You fight you cry you lie you bleed ^G
 And you lean on one another ^D
 Blood brothers ^{Am} ^C ^G ^D
