(com acordes na forma de E)

Capostrate na 3ª casa

E B A E B A  
I've been doing my best to make church on Sundays  
E B A E B A  
And ain't been calling in hungover most Mondays  
E B A  
I guess you could say I'm being grown up  
E B A  
I got my shit together and oddly enough  
E  
I don't mind  
B A E  
'Cause it's about time  
B  
But if you second guessin', don't think for a second  
A  
That I can't hang

E B A  
'Cause I've been known to get a little bit of wild and reckless  
Dbm A  
Known to have a little bit of beer with breakfast  
E B  
You can bet these boots have gotten pretty used to  
A  
Stomping on a hardwood floor  
E B A  
And buying the bar another round of shots  
Dbm A  
Close my tab and hit the parking lot  
E B A  
Next stop is a spot with a fridge stocked on the back porch  
B A E  
I ain't afraid to take too many steps out of line  
Dbm B E  
So don't tempt me with a good time

E B A E B A  
Well most folks think I don't know how to throw down  
E  
They done forgot about Rowdy  
B A E B A  
But no doubt he's still around  
E  
So keep cracking those jokes  
B A  
'Cause I'm willing and able  
B A

Yeah, this old boy'll drink you under the table

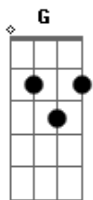

E B A  
'Cause I've been known to get a little bit of wild and reckless  
Dbm A  
Known to have a little bit of beer with breakfast  
E B  
You can bet these boots have gotten pretty used to  
A  
Stomping on a hardwood floor  
E B A  
And buying the bar another round of shots  
Dbm A  
Close my tab and hit the parking lot  
E B A  
Next stop is a spot with a fridge stocked on the back porch  
B A E  
I ain't afraid to take too many steps out of line  
Dbm B E  
So don't tempt me with a good time

E  
At 3AM I'm still hanging tough  
B  
My buddy's passed out in the bed of my truck  
Dbm  
And I can't wait 'til he wakes up  
A  
And see the pictures on his phone

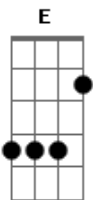

E B A  
'Cause I've been known to get a little bit of wild and reckless  
Dbm A  
Known to have a little bit of beer with breakfast  
E B  
You can bet these boots have gotten pretty used to
