

Lula Barbosa - Rio Verde

tom:

Gosto de olhar
 Bem dentro dos olhinhos
 Da menina e viajar
 Pro interior de minas
 Ou qualquer lugar
 Qualquer lugar
 O teu olhar
 Tem gosto de amor profundo
 Tem tudo
 É só olhar

Por inteiro a dentro
 E depois sonhar
 Depois sonhar
 Com o céu azul
 Sempre a olhar
 O tempo não tem pressa alguma
 De pressa
 Tem a magia do lugar
 O rio é verde, quase mar
 Vento, colinas
 Guardam segredos de Minas
