

Lulu Santos - Areias Escaldantes

Tom: G

A caravana cruzando o deserto
 Brilhando ao sol do Oriente Médio
 Pelas areias escaldantes desse branco mar
 Escuros beduínos são guerreiros mouros de sangue e paixão
 Medo e mistério das trilhas no oásis do amor

A noite cai no deserto e nas tendas

A luz do fogo ilumina os corpos
 De belas nuas dançarinas, são vulcões de mel
 Perfume de aventura inundando o ar de emoção e calor
 Luxo e luxúria nas noites do oásis do amor

(G F Em) (G F Em) (G F Em) G

A caravana do delírio se perdeu de mim
 Sozinho no deserto me senti feliz e cantei para o céu
 Em plena miragem da luz no meio do dia

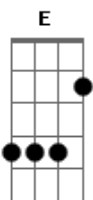

(Repete a frase do começo)

(final) E D C B C D C G G G
