

# Lykke Li - So Sad So Sexy

Tom: D

Open your eyes, I'm right in front of you  
 Open your eyes  
 Open your eyes, I'm walking out on you for the last time  
 I keep my heart achin'  
 Why do we keep fakin'?

I was only lyin' when I looked in your eyes  
 I'm cryin' diamonds like a river inside  
 And it's so sad, so sexy  
 So sad, so sexy  
 I was only lyin' when I looked in your eyes  
 Now I'm lyin' with you one last time  
 And it's so sad, so sexy  
 So sad, so sexy

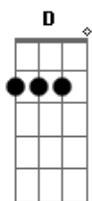

Don't turn around  
 I'm not the one for you  
 Don't turn around

I keep my heart achin', why?  
 Don't have the guts to break it

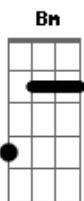

I was only lyin' when I looked in your eyes  
 I'm cryin' diamonds like a river inside

And it's so sad, so sexy  
 So sad, so sexy  
 I was only lyin' when I looked in your eyes  
 Now I'm lyin' with you one last time  
 And it's so sad, so sexy  
 So sad, so sexy  
 So sad, so sexy  
 So sad, so sexy  
 Our love was a slow-oh-oh-oh dance  
 Swlow-oh-oh-oh, I dance, but I don't feel it  
 Darlin', I was only lyin' when I looked in your eyes  
 I'm cryin' diamonds like a river inside  
 And it's so sad, so sexy  
 So sad, so sexy  
 I was only lyin' when I looked in your eyes  
 Now I'm lyin' with you one last time  
 And it's so sad, so sexy  
 So sad, so sexy  
 So sad, so sexy  
 So sad, so sexy  
 So sad, so sexy  
 So sad, so sexy
