

Lyly Hyde - Cigana

Tom: F

Deu corda pra mim
me deixou amarrado
belo trabalho de amarração
entrei num jogo de cartas marcadas
rendido e perdido no véu da paixão.

eu era um tosco no meio do nada
na encruzilhada
sem direção
rajada de vento apontou-me a estrada
e o meu destino era o seu coração

dança da roda
dança da vida
saia rodada

cores sem fim

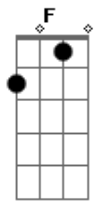

cabelos soltos
jóias de prata

saltos,
perfumes,
ouro e marfim

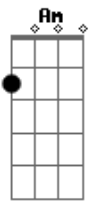

(sequência igual à de cima)
Linda cigana,
da pele morena
qual o futuro
feliz de mulher?
Eu sei q um dia vc vai embora
ganha o mundo

quando quiser
faço tudo q vc disser
faço tudo o que vc mandar
pelos beijos que você me deu
pelos beijos que vc vai dar
