

# Lynyrd Skynyrd - All I Can Do Is Write About It

Tom: G

Intro: 2x: G D Em C

Well this life that I've lead has took me everywhere  
 There ain't no place I ain't never gone  
 But its kind of like the saying that you heard so many times  
 Well there just ain't no place like home  
 Did you ever see a she-gator protect her young  
 Or a fish in a river swimming free  
 Did you ever see the beauty of the hills of Carolina  
 Or the sweetness of the grass in Tennessee  
 And Lord I can't make any changes  
 All I can do is write 'em in a song  
 I can see the concrete slowly creepin'  
 Lord take me and mine before that comes

Do you like to see a mountain stream a-flowin'  
 Do you like to see a youngun with his dog

Did you ever stop to think about, well, the air your breathin'  
 Well you better listen to my song  
 And Lord I can't make any changes  
 All I can do is write 'em in a song  
 I can see the concrete slowly creepin'  
 Lord take me and mine before that comes  
 ( A E Fm D ) (4x)  
 I'm not tryin' to put down no big cities  
 But the things they write about us is just a bore  
 Well you can take a boy out of ol' Dixieland  
 But you'll never take ol' Dixie from a boy  
 And Lord I can't make any changes  
 All I can do is write 'em in a song  
 I can see the concrete slowly creepin'  
 Lord take me and mine before that comes  
 'Cause I can see the concrete slowly creepin'  
 Lord take me and mine before that comes
