 now cause theres to many places i've got to
 see

Thats the main song covered , this repeats a few times and then when come to the outro section . You can take your slide of now and change to some rhythm playing and then it's the solo. oh yes this is where there is some slight phasing , but also it's switched off for the main body of the solo and gradually builds up into the end section.

G D Em F C
 But if I stay here with you girl things just couldn't
 be the same
