Tom: C
 Intro: 2x: Am G

I've always lived my life like a gypsy
 I can't imagine myself settlin' down
 So please don't ask me to give up this life I lead
 'Cause I love to feel those wheels go 'round and 'round

Refrão:
 I can see it inside
 It's my heart that sees, not my eyes
 And if you listen close I'll tell you why
 Home is where the heart is
 And my heart is at home with you

 There's a cold wind blowin' and you know it's almost midnight
 You never dreamed it would be this hard lovin' a music man
 But this iron horse on which I ride I'm closer it's true
 And it's just as hard for me as it is for you

G D
 I can see it inside
 It's my heart that sees, not my eyes

And if you listen close I'll tell you why
 Home is where the heart is
 And my heart is at home with you

 Livin' one day at a time
 Hold on a little longer
 I don't know where I'm gonna end up
 Or where I'll go

 And if you listen close I'll tell you why
 Home is where the heart is
 And my heart is at home ...
