Repeat Riff 1 (A)

Have you heard that rumor that's goin' around  
My baby's got a man, lord way across town  
Its the same old story  
Tell me where will it end  
Yes I heard the news its the same old blues again

Riff 2 (D)

Well I wrote you a letter, must have read it wrong  
Stood at the doorway and baby you was gone  
Took a lot of courage  
To let the telephone ring  
I got the same old blues, same old blues again

Riff 1 (A)

Riff 2 (D)

Riff 1 (A)

Well you gave me the business, though I didn't mind  
'Cause I got a lot of patience, Lord got a lot of time  
Its the same old story  
Tell me where will it end  
I got the same old blues, same old blues again  
Here come my blues

Well I heard that rumor, tell where will it end
