Daddy was a cajun, baby, rasied on southern land
 And so my kinfolks tell me, was a street fightin' man
 Well, they rushed him down to see the doctor
 "hey doctor, won't you check his head?"
 The only thing that was wrong with him was johnny walker's red
 He drank ole poison whiskey till it killed him dead

(verse 2)

It happened back in the bayou many years ago
 Satan came to take him and he did it real slow
 Well, they rushed him back to see the doctor
 The doctor just shook his head
 "twenty years of rotgut whiskey done killed this poor man
 dead"
 He drank ole poison whiskey till it killed him dead

(verse 3)

Take a tip from me people, brothers, can't you see?
 Ain't no future in ole poison whiskey
 They're gonna rush you down to see the doctor
 The doctor's gonna check your head
 The only thing he's gonna tel ya,
