(chords used for this song)

Have you ever lived down in the ghetto  
 Have you ever felt the cold wind blow  
 Well, if you don't know what I mean  
 Won't you stand up and scream  
 'Cause there's things goin' on that you don't know (riff 1)

Too many lives they've spent across the ocean  
 Too much money been spent upon the moon

Well, until they make it right  
 I hope they never sleep at night  
 They better make some changes and do it soon (riff 1)

They're gonna ruin the air we breathe, Lord have mercy  
 They're gonna ruin us all, by and by  
 I'm telling all you beware  
 I don't think they really care  
 I think they just sit up there and just get high (riff 1)

Have you ever lived down in the ghetto  
 Have you ever felt the cold wind blow  
 Well, if you don't know what I mean  
 Won't you stand up and scream  
 'Cause there's things goin' on that you don't know (riff 1)

Well, if you don't know what I mean  
 Won't you stand up and scream  
 'Cause there's things goin' on that you don't know
