(intro) D D D A G A D

D D D
Well I heard it on the late-night radio

G A D
For the umpteenth time headin' from LA to the Florida coast

D D D
I was in between black coffee and shifting gears

D
When the second verse took a turn and brought me to tears

G A
They were talkin' about love, I do and forever

D D
And how two people ought to stay together

A
Well the music hit me but the singer's got it all wrong

D D D A
Unwrite that song unwrite that song

D A
'Cause what he's saying to me don't go with that melody

D D D A
Unsing them lines about those happy times

G A D
don't they know she's gone unwrite that song

D D
Well it was 3 AM and she was cryin' and her eyes were all red

G A
When that music video came on and she sat up in her bed

D D D
She grabbed that whiskey bottle poured one last shot

G A D
And threw that empty glass at the TV and screamed

D D D A
Unwrite that song unwrite that song

D A
'Cause what he's saying to me don't go with that melody

D D D A
Unsing them lines about those happy times

G A D
don't they know he's gone unwrite that song

(solo) D D D A G A D

G D A D D
Well there was a time that I believed all those words were true

A G
And if I had a pen and paper right now I know what I'd do...

D D D A
Unwrite that song unwrite that song

D A
'Cause what he's saying to me don't go with that melody

D D D A
Unsing them lines about those happy times

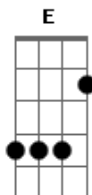

G A
don't they know he's gone unwrite that song

E D
Lord, I know she's gone unwrite that song

D D D D A G A D
oh oh oh unwrite our song.
