D D D D
 Well I heard it on the late-night radio
 G A
 For the umpteenth time headin' from LA to the Florida coast
 D D
 I was in between black coffee and shifting gears

D
 When the second verse took a turn and brought me to tears
 G A
 They were talkin' about love, I do and forever
 D D
 And how two people ought to stay together

A
 Well the music hit me but the singer's got it all wrong

D D D A
 Unwrite that song unwrite that song
 G

D A
 'Cause what he's saying to me don't go with that melody
 D D D A
 Unsing them lines about those happy times
 G A D
 don't they know she's gone unwrite that song

D D
 Well it was 3 AM and she was cryin' and her eyes were all red
 G A
 When that music video came on and she sat up in her bed

D D D
 She grabbed that whiskey bottle poured one last shot
 G A D
 And threw that empty glass at the TV and screamed

D D D A
 Unwrite that song unwrite that song
 G
 D A
 'Cause what he's saying to me don't go with that melody
 D D D A
 Unsing them lines about those happy times
 G A D
 don't they know he's gone unwrite that song

(solo) D D D A G A D
 G D A D D
 Well there was a time that I believed all those words were true

 And if I had a pen and paper right now I know what I'd do...
