

# M1LDL1FE - Distraction

tom:

Intro: E A B E A B Gbm7

Gbm7 B Dbm7

If your skin is made of light

Get me drunk on cosmic wine

If your eyes are the ocean mist

Then pull me into the abyss

We're made from the same dust

Like stars from the same dusk

Don't dive in, it's dangerous

Hold on, here we go

A

All my life

Been trying to find your lips, my kiss

They're made for each other

Hands into the night

It will be alright

A

Take away my heart to see an ocean deep inside of me

Tear apart my head and feel infinity consuming me

All my life, ooh

Under covers, intertwined like this

Drowning in a golden bliss

Find infinity in your eyes

See myself floating out of sight

Gbm7

See myself floating out of sight

B Gbm7

Like sand from the same tide

And lights on the shore line

Up there, it's just too bright

Just pull me under
