

M86 - In My Mind (feat. Susie Q)

tom:

Em
In my mind **C**
Intertwined
Em
Are our limbs twisted

D
Chase your goals

Chills for hours
Em
Chemicals lifted

C
I'll lay the stones
Em
And you'll come walking

D
Fill in all the holes
Em
From our explosions

C
Go back to life
D Em
Dream leads to flight
C
Go back to life
D Em
Dream leads to flight

C
You, you
D Em
In my mind
C
You, you
D Em
My mind

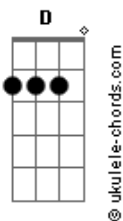

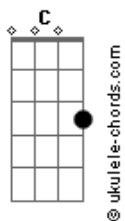

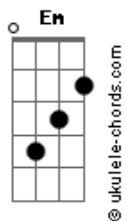

(Mind, mind, mind)

C
Hear your call

I capsize
Em
Water flow emissions
D
We keep chasing

Exit signs
Em

Acordes

As if they existed
C
You and me are madness
Em
And I'll explore it
D
Waitin' for your return
Em
And now you own me

C
Go back to life
D Em
Dream leads to flight
C
Go back to life
D Em
Dream leads to flight

C
Go back to life
D Em
Dream leads to flight
C
Go back to life
D Em
Dream leads to flight

C
You, you
D Em
In my mind
C
You, you
D Em
My mind

(Mind, mind, mind)

Go back to life
