

Mabel - Boyfriend

tom:

Intro: Bm D G Em
Bm D G Em

I've been looking for somebody

Tryna kick it with somebody

I need a rude boy to tell me something sweet

Same time got his hands up on my body

I wanna get high when he take it low

Make me feel strong when I'm taking control

I've been looking for my shawty

So come and get it if you got it

All my girls round the world

I know you know what I mean

I get little sexy when I'm lonely

One thing on my mind

I know what I need

All my girls round the world

Hands up and sing it with me

'Cause everything I got you know it's all me

Even though a man ain't something I need

I wanna boyfriend, so put it on me

I'm looking for a man who can take that heat

Wanna boyfriend, but not too sweet

My baby gotta be tough while he running that street

Is he ride or die?

I've been looking so long for a guy, to turn me on

I want a boyfriend, yeah yeah

I want a boyfriend, yeah yeah
