

Mac Demarco - Let My Baby Stay

Tom: D

(com acordes na forma de Capotraste na 2ª casa C)

I was made to love her, been working at it
 Half of my life, I've been an addict

And she's been good to me
 Far as I can tell she's happy, livin' with her macky

So please don't take my love away
 Let my baby stay, let my baby stay
 Please don't take my love away

Let my baby stay, let my baby stay
 And where would I be, feeling lonely
 Separated from my one and only
 And what's there left to say
 Far as I can tell that day could be on its way
 So please don't take my love away
 Let my baby stay, let my baby stay
 Please don't take my love away
