

Mac Demarco - Let My Baby Stay

Tom: D

(com acordes na forma de Capotraste na 2ª casa C)

I was made to love her, been working at it
Half of my life, I've been an addict

And she's been good to me
Far as I can tell she's happy, livin' with her macky

So please don't take my love away
Let my baby stay, let my baby stay
Please don't take my love away

Let my baby stay, let my baby stay

And where would I be, feeling lonely
Separated from my one and only

And what's there left to say
Far as I can tell that day could be on its way

So please don't take my love away
Let my baby stay, let my baby stay
Please don't take my love away
