Well, this is what it look like ^{E A} right before you fall ^{E A}

Stumblin' around, you've been guessing?your?direction

Next step, you?can't see at all

And I don't?have a name, I don't have a name, no

Who am I to blame? Who am I to blame though?

And I cannot be changed, I cannot be changed, no

Trust me, I've tried

I just end up right at the start of the line

Mmm

Well, I drink my whiskey, ^{E A} and you sip your wine ^{E A}

We're doing well, sittin', watchin' the world fallin' down, its decline

And I can keep you safe, I can keep you safe, mmm

Do not be afraid, do not be afraid

You're feeling sorry, I'm feeling fine

Don't you put any more stress on yourself, it's one day at a time

It's gettin' pretty late, gettin' pretty late

Damn, and I find

It goes around like the hands that keep countin' the time
