

# Mac Miller - My Favorite Part (feat. Ariana Grande)

Intro: B7m Bbm7 Abm7 Gb Bb7 Bb

Tom:  
B7m Bbm7 Abm7 Gb Bb7 Bb  
Said you just don't know how beautiful you are

And baby, that's my favorite part  
B7m Bbm7 Abm7 Gb Bb7  
You walk around so clueless to it all

Like nobody gonna break your heart

It'll be alright, babe  
B7m Bbm7 Abm7 Gb Bb7  
See, me, I got you covered

I'm gon' be your lover, you might be the one  
B7m Bbm7 Abm7 Gb Bb7  
If it's only tonight, ay,  
we don't need to worry

We ain't in a hurry, rushin' into love

Said, you know I know who you really are  
B7m Bbm7 Abm7 Gb Bb7  
Ain't need to lie

Said, the universe couldn't keep us apart  
B7m Bbm7 Abm7 Gb Bb7  
Why would it even try?

Yeah, said, don't let them hurt you ever  
B7m Bbm7 Abm7 Gb Bb7  
I know you far too smart

Before things come together  
They have to fall apart  
B7m Bbm7 Abm7 Gb Bb7  
It's been a while since I've been sober

This life can be so hard  
Bb  
I'd rather talk about you
