

Mac Miller - Woods

tom:

Intro: F Am Dm G
F Am Dm

F Am Dm
Yeah, yeah, yeah, yeah, yeah, yeah

[Primeira Parte]

F
Yeah, things like this ain't built to last
Am Dm
I might just fade like those before me

F
When will you forget my past?
Am Dm
Got questions, ask, you know the stories

F
Yeah, and you need to let me know

Am
When you're leaving where you go

Dm
Can I come?

F
Do you believe me, are you close?

Am
Yeah, even if you don't

Dm
That'll get you sprung

[Refrão]

F Am Dm
Do I, do I, do I love?

F Am Dm
Can I, can I, can I get enough?

[Segunda Parte]

F
Yeah, don't run away, love

Am
Hey love, heartbreak will have you bankrupt

Dm
Too many days in a daze, better wake up

I put your face in a place where the space was

F
Nobody make you feel like you but (do I?)

And you don't know what you should do

Am
You just looking for someone to make you move, ooh tell me (do I?)
Dm

[Terceira Parte]

F
I make this planet feel like home
Am Dm
Miss us, first time the door is closing

F
So far beyond all our control

Am Dm
You say this all so close to broken, yeah

F
It's so much better when you wait

Am Dm
Forever and a day, that's all I got

F
Put it together then it break

Am Dm
All the energy it takes, it never stop

[Refrão]

F Am Dm
Do I, do I, do I love?

F Am Dm
Can I, can I, can I get enough?

[Quarta Parte]

F
Yeah, I never slip, I never fall

Am
I tried to tell you 'bout a better life

Am
And get involved, big or small

It's been my fault

I keep it safe, it's in the vault

Blindfold her, keep it going 'til we hit a wall

F
Yeah, I'm never going through the motions

Am
I'm just tryna lay your body down slowly

Dm
We can only go up

We can only go up

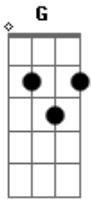

[Refrão]

C Em Dm
Do I, do I, do I love?

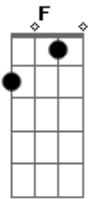

C Em Dm
Can I, can I, can I get enough?

[Final] C Em Dm
C Em Dm
