Tom: C

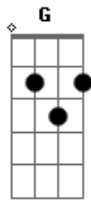

C Am I out of my head? G Am I out of my mind? Am
 F
 If you only knew the bad things I like C D
 G Don't think that I can explain it What can I say, it's complicated
 C No matter what you say Don't matter what you do Am
 C F
 I only wanna do bad things to you C D
 G So good, that you can't explain it What can I say, it's complicated
 C Nothing's that bad, if it feels good G
 F So you come back, like i knew you would C
 F And we're both wild, and the night's young C
 Am And your mind drunk, bring you in 'til my face numb G
 C Drop it down like that bass drum, I got what you dream of G
 F Nails scratch on my back attack I suppose when you scream out C
 F
 C and you kick me in with those hips While my teeth sink into those lips Am
 G While your body's giving me like and you're suffocating my kiss Then you say
 C I want you forever Even when we're not together G
 F Scars on my body so I can take you wherever C
 F I want you forever Even when we're not together C
 Am Scars on my body so I can look at you whenever G
 C Am I out of my head? G Am I out of my mind? F
 C If you only knew the bad things I like C D
 G Don't think that I can explain it What can I say, it's complicated
 C No matter what you say Don't matter what you do G
 Am C F
 I only wanna do bad things to you C D
 G So good, that you can't explain it What can I say, it's complicated
 C I can't explain it, I love the pain G

 F and weed uh Always high, keep it strange C
 Am G

Okay yeah I'm insane, but you the same C G
 Let me paint the picture, counting by the kitchen F C
 Nothing but your heels on, losing our religion F
 C You're my pretty little fiction, and I'm the voice inside your head
 Am That keeps telling you to listen to all the bad things I say G
 and you say
 C I want you forever Even when we're not together G
 F Scars on my body so I can take you wherever C
 F I want you forever Even when we're not together C
 Am Scars on my body so I can look at you whenever G
 C Am I out of my head? G Am I out of my mind? Am
 F

 C No matter what you say Don't matter what you do G
 Am C F
 I only wanna do bad things to you C D
 G So good, that you can't explain it What can I say, it's complicated
 C The way we love, is so unique And when we touch, I'm shivering Am

 D Cause we're just living Between the sheets G
 Am C I want you forever Even when we're not together G
 F Scars on my body so I can take you wherever C
