

Machine Gun Kelly (MGK) - Bad Things

Tom: C

^C
Am I out of my head?
^{Am}
Am I out of my mind?
If you only ^C knew the bad things I ^F like
Don't think that I can explain it
^{Am}
What can I say, it's ^G complicated
^C
No matter what you say
Don't matter what you do
I only wanna ^C do bad things to you
So good, that you can't explain it
^{Am}
What can I say, it's ^G complicated

^C
Nothing's that bad, if it feels good
^F
So you come back, like I knew you would
^F
And we're both wild, and the night's Young
^{Am}
And you're my drug, breath you in 'til my face numb
^C
Drop it down like that bass drum, I got what you dream about
^F
Nails scratch on my back tatt
^C
Eyes closed while you scream out
^F
And you keep me in with those hips
While my teeth sink in into those lips
While your ^{Am} body's giving me life
And you're ^G suffocate my kiss

Then you say
^C
I want you forever
^G
Even when we're not together
^F
Scars on my body so I can take you wherever
^F
I want you forever
^C
Even when we're not together
^{Am}
Scars on my body I can look at you whenever

^C
Am I out of my head?
^{Am}
Am I out of my mind?
If you only ^C knew the bad things I ^F like
Don't think that I can explain it
^{Am}
What can I say, it's ^G complicated
^C
No matter what you say
Don't matter what you do
I only wanna ^C do bad things to you
So good, that you can't explain it
^{Am}
What can I say, it's ^G complicated

^C
The way we love, is so unique
^{Am}
And when we touch, I'm shivering
^F
And no one has to get it
^C
Just you and me
^{Am}
Cause we're just living
^G
Between the sheets

^C
I want you forever
^G
Even when we're not together
^F
Scars on my body so I can take you wherever
^F
I want you forever
^C
Even when we're not together

^C
I can't explain it, I love the pain
^F
And I love the way
^C
That your breath numbs me like novacaine and we are
^F
Always high, keep it strange
^{Am}
Okay yeah I'm insane, but you the same
^C
Let me paint the picture, couch by the kitchen
^F
Nothing but your heels on, losing our religion
^F
You're my pretty little fiction
And I'm the voice inside your head
^{Am}
That keeps telling you to listen
^G
To all the bad things I say and you say

^C
I want you forever
^G
Even when we're not together
^F
Scars on my body so I can take you wherever
^F
I want you forever
^C
Even when we're not together
^{Am}
Scars on my body I can look at you whenever
