Tom: C

C
 Am I out of my head?
 Am I out of my mind?
 If you only knew the bad things I like
 Don't think that I can explain it
 Am What can I say, it's complicated
 C No matter what you say
 Don't matter what you do
 I only wanna do bad things to you
 So good, that you can't explain it
 Am What can I say, it's complicated
 C
 G
 F Nothing's that bad, if it feels good

 C
 G Drop it down like that bass drum, I got what you dream about
 F
 Nails scratch on my back tatt
 C
 F Eyes closed while you scream out
 F
 And you keep me in with those hips
 C
 While my teeth sink in into those lips
 Am
 While your body's giving me life
 G
 And you're suffocate my kiss
 Then you say
 C
 I want you forever
 G
 Even when we're not together
 F
 C Scars on my body so I can take you wherever

 I want you forever
 C
 Even when we're not together
 Am

 F
 C Nothing but your heels on, losing our religion
