

Machine Gun Kelly (MGK) - Bad Things

Tom: C

C G
Am I out of my head?
Am I out of my mind?
If you only knew the bad things I like
Don't think that I can explain it
Am G
What can I say, it's complicated
C G
No matter what you say
Am
Don't matter what you do
C F
I only wanna do bad things to you
C
So good, that you can't explain it
Am G
What can I say, it's complicated

C G
Nothing's that bad, if it feels good
F C
So you come back, like I knew you would
F C
And we're both wild, and the night's Young
Am G
And you're my drug, breath you in 'til my face numb
C G
Drop it down like that bass drum, I got what you dream about
F
Nails scratch on my back tatt
C
Eyes closed while you scream out
F
And you keep me in with those hips
C
While my teeth sink in into those lips
Am
While your body's giving me life
G
And you're suffocate my kiss

Then you say
C
I want you forever
G
Even when we're not together
F C
Scars on my body so I can take you wherever
F
I want you forever
C
Even when we're not together
Am G
Scars on my body I can look at you whenever

C G
Am I out of my head?
Am I out of my mind?
If you only knew the bad things I like
Don't think that I can explain it
Am G
What can I say, it's complicated
C G
No matter what you say
Am
Don't matter what you do
C F
I only wanna do bad things to you
C
So good, that you can't explain it
Am G
What can I say, it's complicated

C G
The way we love, is so unique
Am C
And when we touch, I'm shivering
F
And no one has to get it
C
Just you and me
Am
Cause we're just living
G
Between the sheets

C
I want you forever
G
Even when we're not together
F C
Scars on my body so I can take you wherever
F
I want you forever
C
Even when we're not together

Am G
Scars on my body I can look at you whenever

C G
Am I out of my head?

Am I out of my mind?
If you only knew the bad things I like

Don't think that I can explain it

Am G
What can I say, it's complicated

C G
No matter what you say

Don't matter what you do

I only wanna do bad things to you

So good, that you can't explain it

Am G
What can I say, it's complicated
