

Machine Gun Kelly - Bad Things (feat. Camila Cabello)

Tom: D

(com acordes na forma de C)

C
Am I out of my head?

Am I out of my mind?

If you only knew the bad things I like

Don't think that I can explain it

What can I say, it's complicated

Don't matter what you say

Don't matter what you do

I only wanna do bad things to you

So good, that you can't explain it

What can I say, it's complicated

Nothing's that bad

If it feels good

So you come back

Like I knew you would

And we're both wild

And the night's young

And you're my drug

Breathe you in 'til my face numb

Drop it down to that bass drum

I got what you dream about

Nails scratchin' my back tatt

Eyes closed while you scream out

And you keep me in with those hips

While my teeth sink in those lips

While your body's giving me life

And you suffocate in my kiss

Then you said

I want you forever

Even when we're not together

Scars on my body so I can take you wherever

I want you forever

Even when we're not together

Scars on my body I can look at you whenever

I out of my head?

I out of my mind?

If you only knew the bad things I like

Don't think that I can explain it

What can I say, it's complicated

Don't matter what you say

Don't matter what you do

I only wanna do bad things to you

So good, that you can't explain it

What can I say, it's complicated

I can't explain it

I love the pain

And I love the way your breath

Numbs me of novocaine

And we are

Always high

Keep it strange

Okay, yeah, I'm insane

But you the same

Let me paint the picture

Couch by the kitchen

Nothin' but your heels on

Losin' our religion

You're my pretty little vixen

And I'm the voice inside your head

That keeps telling you to listen to all the bad things I say

I want you forever

Even when we're not together

Scars on my body so I can take you wherever

I want you forever

Even when we're not together

Scars on my body I can look at you whenever

I out of my head?

I out of my mind?

If you only knew the bad things I like

Don't think that I can explain it

What can I say, it's complicated

Don't matter what you say

Don't matter what you do

I only wanna do bad things to you

So good, that you can't explain it

What can I say, it's complicated
