tom:

Ab

[Refrão]

You want me to forget you  
 Okay, forget me too

You tell me that you hate me  
 Baby, yeah, I bet you do

( Db Ab F Eb )

[Primeira Parte]

Damn  
 Db I saw you walk in the room and I tried my best  
 Ab Not to panic while I'm lookin' for the back door  
 F I smelled the perfume and it's obvious  
 Eb I'm gonna stay and put my key in the bag more  
 Db I can't, I can't, I can't pretend to forget  
 Ab You're the reason I punched a hole in the wall back home  
 F And then, and then, and then a couple hours later

We're in room 29 at The Chateau

[Pré-Refrão]

Db Ab  
 F I left before you woke up  
 Eb I don't feel right (seeing you sober)

[Refrão]
