

Machine Gun Kelly - Kiss The Sky

tom:

Intro: Am F C
 Am F C
 Am F C

Am F
 See I've been searchin' for somethin' out there
 C
 When is it comin'? Tell me
 What to tell myself
 When I drink so much that it hurts my health
 Am
 'Cause I stay up way too late
 F
 And I owe a million favors
 C
 I can't overstress myself
 So I wrote it down to express myself
 Am
 I'm lookin' in the mirror tryna find
 F
 Peace of mind in a piece of my
 C
 Inspiration back from the beginning
 Life's a movie, I can't make revisions

Am
 At an eighth of shrooms and started trippin'
 F
 Had some visions that were nonexistent
 C
 I think I just left the solar system
 Doesn't matter, I still kept the rhythm
 Am
 Diamonds still gon' light up like a prism
 F
 That's from years of grindin' independent
 C
 What was at the bottom now has risen
 If this isn't Heaven then what is it?
 Am
 Always real but never realistic
 F
 Want the world but nothin' in specific
 C
 Don't need shootin' stars to grant my wishes
 I'm a superstar, let's go and get it.
 Am F C
 Kiss the ski-i-i-i-i-ies, the sky
 Am F C
 Kiss the ski-i-i-i-i-ies, the sky
 Am F C
 Kiss the ski-i-i-i-i-ies, the sky
 Am F C
 Kiss the sky-y-y-y-y-y

Acordes
